

VNS2082

PA SPEAKER, WALL MOUNTED

PA Voice Messaging and Emergency Notification

Powerful PA Voice Messaging, Indoor or Outdoor Use, Easy Installation

The VNS2082 is a PA Paging Speaker that when paired with one of the Visiplex's wireless PA controllers, is an ideal solution for applications where a hard-wired speaker is impractical, or when a simple, reliable and cost-effective alternative solution is required.

The VNS2082 PA Speaker is designed to be part of Visiplex's wireless Public Address systems and can provide intelligible voice paging and clear tone alerts in indoor applications such as wireless break bell or PA paging.

The VNS2082 comes with easy to install adjustable wall mounting bracket.
