

VNS2083

HIGH POWER PA SPEAKER, WALL MOUNTED PA Voice Messaging and Emergency Notification

Powerful PA Voice Messaging, Indoor or Outdoor Use, Easy Installation

The VNS2083 is a High-Power Public Address Speaker that when paired with one of Visiplex's wireless PA controllers, is an ideal solution for applications where a hard-wired speaker is impractical, or when a simple, reliable and cost-effective alternative solution is needed.

The VNS2083 Public Address Speaker is designed to be a part of Visiplex's wireless public address systems and can provide intelligible voice paging and clear tone alerts in indoor/outdoor applications such as wireless break bell or PA paging.

The VNS2083 comes with an easy to install adjustable wall mounting bracket.
