

VNS2087

PA HORN SPEAKER

PA Voice Messaging and Emergency Notification

Powerful PA Voice Messaging, Indoor or Outdoor Use, Loud Alerts

The VNS2087 is a paging horn speaker that when paired with one of Visiplex's wireless PA controllers, can be an ideal solution for applications where a hard-wired speaker is impractical, or when a simple, reliable and cost-effective alternative solution is required.

The VNS2087 Paging Horn Speaker is designed to be part of Visiplex's wireless public address systems and can provide intelligible voice paging and clear tone alerts for indoor/outdoor applications such as wireless break bell or public address paging.

The VNS2087 comes with an easy to install adjustable wall mounting bracket.
