

# VNS2252

## POWER BACKUP BATTERY Built-In Internal Rechargeable Battery

*Keeps Controllers Powered in Case of Power Outage*

The VNS2252 Internal Battery kit is designed to provide built-in power backup to the VNS22xx wireless controllers. When installed, this battery kit will provide up to 20 hours of Standby mode and 1-2 hours of full activity.

The VNS2252 has absorbent glass mat technology for superior performance with a rugged, impact resistant ABS case and cover (UL94-HB). It's valve regulated, spill-proof construction allows safe operation and transport by air.

## VNS2252 SPECIFICATIONS

Parameter	Description	Parameter	Description
Color	Gray and blue	Maximum Discharge	4.2 Amps
Nominal Voltage	12V	Operating Temperature	Charge: -4° to 122°F Charge: -40° to 140°F
Dimensions	3.8" x 2.9" x 1.7", 97mm x 73mm x 43mm (W x H x D)	Material	Rugged impact resistant ABS case and cover
Weight	19oz, 539g	Termination	Quick disconnect tabs
Energy Density	1.29 W-h/in <sup>3</sup>	Certifications	DOT, IATA, FAA, CAB, UL Recognized under MH 20845
Specific Energy	14 W-h/lb	Warranty	One Year Limited Warranty
